Nicole,

It was the tree removal permit for 412 W 7th St. The trunk has a hole in it.

Hi Joe,

I submitted the tree removal request on 3/23/17. The service request number is 1-494549611. I called them today and they said it could take anywhere from 90-120 days to get the permit. Ugh!

I am copying Nicole Wells from Councilmember Buscaino's office to see if they can help expedite the tree removal process.

Good morning Lorena

Thanks again for meeting with me and helping me out with the issues at our building across the street from the Chamber.

I went onto the DevelopSanPedro.com website that you gave me and found our current vacancies listed there already via LoopNet. 402 and 412 W 7th Street are currently showing which is great.

Any idea, schedule wise, when the tree in front of 412 might come out?

I emailed Elise and asked her to let me know what afternoon I can swing by around 4 again and I can walk her and you if you have in interest through the building.

Let me know.

Thank you,

Joe
